

To the General Meeting of
Nordic Mining ASA

Medlemmer av Den norske Revisorforening

Auditor's report for 2006

We have audited the annual financial statements of Nordic Mining ASA as of 31 December 2006, showing a loss of NOK 5 805 thousand for the Parent Company and a loss of NOK 5 820 thousand for the Group. We have also audited the information in the Directors' report concerning the financial statements, the going concern assumption, and the proposal for the coverage of the loss. The financial statements comprise the financial statements for the Parent Company and the Group. The financial statements of the Parent Company comprise the balance sheet, the statements of income and cash flows, the statement of equity and the accompanying notes. The financial statements of the Group comprise the balance sheet, the statements of income and cash flows, the statement of equity and the accompanying notes. The regulations of the Norwegian Accounting Act and accounting standards, principles and practices generally accepted in Norway have been applied in the preparation of the financial statements of the Parent Company. IFRSs as adopted by the EU have been applied in the preparation of the financial statements of the Group. These financial statements and the Directors' report are the responsibility of the Company's Board of Directors and Managing Director. Our responsibility is to express an opinion on these financial statements and on other information according to the requirements of the Norwegian Act on Auditing and Auditors.

We conducted our audit in accordance with laws, regulations and auditing standards and practices generally accepted in Norway, including the auditing standards adopted by the Norwegian Institute of Public Accountants. These auditing standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. To the extent required by law and auditing standards, an audit also comprises a review of the management of the Company's financial affairs and its accounting and internal control systems. We believe that our audit provides a reasonable basis for our opinion.

In our opinion,

- the financial statements of the Parent Company are prepared in accordance with laws and regulations and present fairly, in all material respects the financial position of the Company as of 31 December 2006, and the results of its operations and its cash flows and the changes in equity for the year then ended, in accordance with accounting standards, principles and practices generally accepted in Norway
- the financial statements of the Group are prepared in accordance with laws and regulations and present fairly, in all material respects, the financial position of the Group as of 31 December 2006, and the results of its operations and its cash flows and the changes in equity for the year then ended, in accordance with IFRSs as adopted by the EU
- the Company's management has fulfilled its duty to properly record and document the Company's accounting information as required by law and bookkeeping practice generally accepted in Norway
- the information in the Directors' report concerning the financial statements, the going concern assumption, and the proposal for the coverage of the loss is consistent with the financial statements and complies with law and regulations.
